

Storage Drawer Set

DRW-2M Double Drawer Set With Stainless Hardware

The new DRW-2M was designed due to the many requests we get for large storage options. 4" deep drawers accommodate many items needed for fishing and boating and is easily mounted in a 17 1/4" x 12 1/4" opening, larger sizes available. Constructed of 100% Starboard the DRW-2M is designed for the marine environment and has a lifetime warranty. Note: this drawer set must be supported in rear due to large size and ability to put heavy items inside and may be supported from bottom or top to take load from boat mounting surface and drawer mounting flange. See illustration for support options.
