

Bent Butt Rod Rack

Marine Products Inc.

RHB-3

Now you can store and wash down your bent butt rods with this unique rod rack. No need to lean your expensive rods and reels in the corner, keep them with the rest of your tackle upright and organized.

Constructed of 100% marine-grade polymer the new bent butt rack is designed to hold (4) bent butt rods and (2) straight butt rods. The innovative design uses minimal floor space and features two built in handles for moving the rack around with rods in place. The attractive Seafoam and white color combination adds to the beauty of this rack. Deep Blue Lifetime Warranty
