- ★ Bracket For The Suremarker<sup>™</sup> Buoy
- \* Starboard Construction
- \* Pocket For Drop Lead
- \* Easy Access For Quick Deployment
- \* Lifetime Warranty

## SM-1

Designed Specifically for the Suremarker Buoy the SM-I provides a snap-in bracket and pocket for the drop lead. Now your marker is ready for instant deployment which means you will catch more fish. Stainless mounting screws included.

## EH-1

Easily remove and replace any small product with this versatile bracket. Simply screw the "V" receiver bracket to the mounting surface then attach the corresponding part to the product. Use with most screw mounted products. Available in 2 sizes, mounting hardware included.
